### WHAT IS THE TECHNICAL THEATRE ASSOCIATION?

The Technical Theatre Association (TTA) at Old Dominion University is a student organization established to provide opportunities to students wishing to further their experience in technical theatre, design, and management through education, outreach, and networking.

This year, we are planning various workshops, productions, and events to teach students practical skills in technical theatre, as well as to help to build their portfolios. #Just Tech It!

# TTA SHOWCASE & GALLERY

Thank you to everyone who came out to support the TTA Showcase & Gallery. We had amazing work from stage manager Tracy Harmer, scenic designer CJ Robinson, lighting designer Jeff Shook, and sound operator Brandi Shook. The gallery featured work from Megan Miranda, Kieran Rundle, Brittany Bridges, Jeff Shook, "Gothboi," and Brandi Shook. The Showcase featured performances from Larry Lewis, Hack Gallotta, TONEJ, Jeff Shook, CJ Robinson, Frances Calderon, K9, and Chris!

# COMMUNITY OUTREACH

TTA is dedicated to community outreach and service, especially those that benefit the Hampton Roads area.

This year, we are holding fundraisers and events that benefit local organizations.

The Giving Tree benefited the YWCA South Hampton Roads.

*The Laramie Project* will benefit the LGBT Life Center.
